*You've done it again. SOLD OUT in 2009.*

Our apologies to some of our regular vendors who sent in Table Reservation forms later than January 1, 2009 for the 2009 Hamfest. All tables were sold out by the end of the first week in January. Please don't put off sending the form this year. If you are unable to attend, please notify us 24 hours prior to the event. If we can resell your table we will refund your table fee.

We wish to thank Bob Heil K0EID for his presentation to a stand up only crowd. He will have a new program this year beginning at 10:00 AM in a bigger room. Also adding License Testing this year. 8 & 9 AM.

**Please note** that due to January 1, 2010 being on a weekend for the next three years, Winterfest will be held on the fourth weekend. It was impossible for first weekend events to be held on New Year's day, therefore all events had to be advanced one week 2010, 2011 and 2012. Sorry for this inconvenience.

Our location remains Gateway Center, One Gateway Drive, Collinsville, IL 62234. From Hwy. 55/70—take exit #11. Then the West Outer Road and turn right at the second street (just after the Ponderosa). The concession will again open at 5:15 AM for breakfast and at 9:15 will have lunch items.

If your table reservation is received before January 1, 2010 we will attempt to secure the same table location as last year unless notified otherwise. Payment must be included. **Send to address above.**

Each table reservation will include one drawing ticket. Additional vendor passes will be available on a limited basis but will not include a raffle ticket. Additional raffle tickets can be purchased at a cost of \$1.00 each or 6 for \$5.00.

Load-in and Set-up times are Friday from 1:00 PM until 10:00 PM CST and Saturday from 5:00 AM until 7:00 AM. Anyone who has not checked in by 7 AM Saturday will forfeit their table space unless we have been notified in advance of late arrivals. (314) 504-1104.

There is **no smoking** or **FOOD** allowed in the convention center. Signs and banners can not be attached to the walls with tape or staples.

The Staff and members wish to take this opportunity to say THANKS to the Amateur radio community for your support. You can join the over 200 SLSRC amateurs with membership information on our web site. Become a part of a very active Amateur Radio Club.
